

## **LARC General Meeting Minutes**

**August 2021**

The LARC General Meeting for March 2021 was held on Wednesday, August 18 at 7 pm via Zoom. Everyone gathered starting at 6:30 PM to have some time to chat and find out what everyone is doing. Chuck (K0ITP) opened the meeting at 7:00 PM, welcoming everyone. There were 29 in attendance.

Bryan (AF0W) mentioned a few coming events and activities at the start of the meeting.

Jeremiah Bagula gave the evening presentation on using APRS along with Parks on the Air and other radio activities. Jeremiah went through a number of opportunities when using APRS on an APRS capable radio. There is always a lot of opportunity to use your radios in many different activities.

The meeting was adjourned at 9:00 PM.

Respectively submitted,

Patrick Engstrom (W1PGE), Secretary

## LARC General Meeting Attendance
