

## **LARC General Meeting Minutes**

### **March 2021**

The LARC General Meeting for March 2021 was held on Wednesday, March 17 at 7 pm via Zoom. Chuck (KOITP) opened the meeting at 7:00 PM, welcoming everyone. There were 39 in attendance.

Chuck announced a fox hunt in March 27, it should be a lot of fun for everyone. Check the Club's website for more details. Chuck also announced a Park on the Air this Saturday, March 20.

Bob Heil (K9EID) gave the evening presentation on audio and ham radio. Bob gave us lots of really good information on how to set up our audio and improve our talk on the radio. Thanks much to Bob for the very engaging evening.

The meeting was adjourned at 8:45 PM.

Respectively submitted,

Patrick Engstrom (W1PGE), Secretary
