

## **LARC General Meeting Minutes**

**May 2021**

The LARC General Meeting for May 2021 was held on Wednesday, May 19 at 7 pm via Zoom. The meeting started informally at 6:30 PM, then Chuck (KOITP) opened the meeting at 7:00 PM, welcoming everyone. There were 31 in attendance.

Ward Silver (NOAX) gave the evening presentation on grounding and bonding. It was an excellent presentation on a topic we hams don't always think about or consider in the design of our station. The presentation can be found on the Club's Website at [WOENO.org](http://WOENO.org).

The meeting was adjourned at 8:45 PM.

Respectively submitted,

Patrick Engstrom (W1PGE), Secretary
