

LARC General Meeting Minutes

mailSeptember 2021

The LARC General Meeting for September 2021 was held on Wednesday, September 15 at 7 pm via Zoom. The meeting started informally at 6:30 PM, then Chuck (K0ITP) opened the meeting at 7:00 PM, welcoming everyone. There were 39 total in attendance.

Ned Stearns (AA7A) gave the evening presentation on a DXpedition he participated on in 2016. The expedition began in Port Stanley, Falkland Island where they got on the boat to sail to the Sandwich Islands where they set up their radios for 8 days. They then went to South Georgia Island for another 8 days. It was an inspiring presentation, logistics, hazards, weather on these remote islands was amazing. It was much enjoyed by all.

The September meeting of LARC traditionally is the time when the Club Members vote on the officers for the next year and any updates to the By-laws. Unfortunately, when it came time to vote, there were not enough members in attendance to achieve a quorum so we will try again at the October meeting.

The meeting was adjourned at 8:30 PM.

Respectively submitted,

Patrick Engstrom (W1PGE), Secretary
