

LARC General Meeting Minutes

April 2018

The LARC General Meeting for April 2018 was held on Wednesday, April 18, at 7PM in the Clover Building on the Boulder County Fairgrounds. Following is a summary of the meeting.

President Starr Aldrich (NOAES) opened the meeting at 7:00 PM with introductions by those in attendance. There were more new Hams who had just finished the classes.

Jerry Schmidt (N0OUW) gave a summary of LARC Fest. The event was successful and raised some money for the Club. Final accounting will be completed within the next few weeks.

Starr (NOAES) reminded everyone of Solder Sniffers who meet 2nd and 4th Saturdays at the Clover Building. Starr also reminded everyone of the LARC Board Meeting on the first Wednesday of each month at the Clover Building at 7 pm. All members are invited to attend.

Ron (K2RAS) gave an update on the repeater status, a coverage test of a possible UHF repeater location on one of the City of Longmont siren poles that will be conducted on April 28. Ron asked for volunteers to monitor and transmit from a number of locations in and around Longmont. The Club is also helping the City to improve the City's AM emergency broadcast radio to give greater coverage around the City.

Ron presented the evening's program on emergency power planning for hams in case power goes down. Ron covered power alternatives with solar, battery backup and fail over controllers. It was a very interesting and informative presentation.

The next General Meeting will be held on May 16, 2018.

The meeting was adjourned at 9:00 PM.

Respectively submitted,

Pat Engstrom (W1PGE), Secretary
