

LARC General Meeting Minutes

January 2018

The LARC General Meeting for January 2018 was held on Wednesday, January 17, at 7PM in the Clover Building on the Boulder County Fairgrounds. Following is a summary of the meeting.

President Starr Aldrich (NOAES) opened the meeting at 7:00 PM with introductions by those in attendance.

Jerry Schmidt (N0OUW) gave an update on planning for LARC Fest for next year and asked for volunteers. The event will include a traditional Ham Fest along with the craft show as we did last year. The event will be held on April 7, 2018 at the Boulder County Fairgrounds as in the past. Jerry will update the Club at each of our General Meeting. Stay tuned.

Doug Altman (KEOSI) mentioned the NCARC Ham Fest on Saturday, Jan 20. Doug and others are taking some of the no longer needed LARC equipment to the event to sell.

Don Lewis (KE0EE) asked if any of those in attendance would like to join the Club and 3 individuals indicated yes. Don immediately handed out applications.

Ron Schwartz introduced the evening's speaker, Rob Steenburgh from the Space Weather Prediction Center. Rob gave a very interesting presentation on the Sun's impact on the Earth's weather and how it all affects propagation of ham radio signals. More information can be found at spaceweather.gov.

The next General Meeting will be held on February 21, 2018.

The meeting was adjourned at 9:00 PM.

Respectively submitted,

Pat Engstrom (W1PGE), Secretary
