

## **LARC General Meeting Minutes**

**July 2019**

The LARC General Meeting for July 2019 was held on Wednesday, July 17 at 7PM in the Clover Building on the Boulder County Fairgrounds. Following is a summary of the meeting.

President Gary Hampton (AD0WU)) opened the meeting at 7:00 PM with introductions by those in attendance. Gary gave an update on the ARCS proposal to the FCC to authorize a new class of amateur radio license to enable more people to obtain their license.

Ron Schwartz (K2RAS) presented the evening program starting with reviewing the process and rules for the next Emergency Exercise to be conducted on Aug 15 at 7 pm. There will be no Thursday Night Net on that day to allow plenty of time for the exercise.

Ron then demonstrated packet communications between two radios he had set up in the meeting.

Jerry (N0OUW) then reviewed the features of the Club's Website. Jerry manages a lot of Club content and stores all the Club's history on the website server. Thanks much to Jerry for all his work to bring content to the Web and Club Members.

The meeting was adjourned at 8:45 PM.

Respectively submitted,

Pat Engstrom, Secretary
