

LARC General Meeting Minutes

March 2018

The LARC General Meeting for March 2018 was held on Wednesday, March 21, at 7PM in the Clover Building on the Boulder County Fairgrounds. Following is a summary of the meeting.

President Starr Aldrich (NOAES) opened the meeting at 7:00 PM with introductions by those in attendance. There were a number of new Hams who had just finished the classes.

Jerry Schmidt (N0OUW) gave an update on planning for LARC Fest for next year and asked for volunteers. The event will include a traditional Ham Fest along with the craft show as we did last year. The event will be held on April 7, 2018 at the Boulder County Fairgrounds as in the past. Jerry will update the Club at each of our General Meeting.

Don Lewis (KE0EE) asked if any of those in attendance would like to join the Club and several individuals indicated yes. Don immediately handed out applications and collected the annual membership fee.

Ron Schwartz (K2RAS) was the evening program demonstrating his SDR (software defined radio) with 3 different antennas. Ron brought two magnetic loop antennas to show how well they work on receive. Doug brought a Ham Stick antenna and Ron made a direct comparison between the Ham Stick and the magnetic loop antennas. The magnetic loops were very impressive and take up very little space. The program was of great interest to the attendees and Ron promised to come again and demonstrate additional aspects of his radio and antennas.

The next General Meeting will be held on April 18, 2018.

The meeting was adjourned at 9:00 PM.

Respectively submitted,

Pat Engstrom (W1PGE), Secretary
