- Bob, N0ZfV, is helping Dick out with special events. They are planning to put together a LARC Winter Field Day site at noon, Sat Jan. 28th in the Clover Building. Come join the fun, and if you haven't made an HF contact yet, this would be a perfect opportunity, as there will be a lot of activity on the bands, as well as experienced hams to help you out. You don't even have to be licensed (or be a General or Extra Class licensee) to use the radio - we will have plenty of licensed control operators on site.
- Club dues are going up by \$5 per year starting January 1st. If you renew before then, you can pay the current price of \$20.
- All club activities are open to anyone - members and non-members. ~~If you have questions, ask them on a net or~~ **send email to elmer@w0eno.org**
